

ICE!™ at Gaylord National Resort Part of Christmas on the Potomac

November 19, 2009 – January 10, 2010

Discover a world unlike any other as you walk through a winter wonderland made entirely of ice! Explore ten different holiday scenes made from two million pounds of ice, including a life-sized Santa's Workshop, a penguin village... and even ice slides that stand more than two stories tall!

ICE! is created by some of the world's finest sculptors — a team of 40 artisans from Harbin, China — where a spectacular International Ice and Snow Sculpture Festival is held every year. Brought to the U.S. exclusively by Gaylord Hotels® and handcrafted over a course of 40 days, this cold event will warm all hearts.
