

Dear Parents,

The winter weather is upon us and I would like to discuss our inclement weather plan. Child, Youth and School (CYS) Services joins this command in stressing safety. Please keep children home whenever possible to reduce their risk during hazardous road conditions. To assist in compensation during these days, CYS Services will grant discount credit points for patrons that voluntarily keep their child home. These credits, combined with other parent participation credits you may have or earn, will gain you a 10% childcare discount for one month. Each facility has forms and requirements necessary at the front desk to explain these policies.

Weather Situation	CDC	FCC*	SAS	YS	ADMIN	SPORTS
Federal Gvt Open	Open					→
Federal Gvt Closed	Closed	Open EPP	Closed	Closed	Closed	Closed
Federal Gvt Delayed Opening by X hours	Delayed Opening by X hours	Open	Delayed Opening by X hours			→
Federal Gvt Unscheduled Leave**	Open for mission essential first – others as spaces permit with available staffing	Open – mission essential priority; others as space permits	Open for mission essential first – others as spaces permit with available staffing			→
Federal Gvt Closed Mid-day	Closed Mid-day - Parent Pick Up Required	May Open	Closed Mid-Day- Parent Pick Up Required			→
Ft B School Delayed Opening	Open	Open	Open ***Part Day Preschool Delay	Open	Open	Open
Ft B School Closed Entire Day	Open	Open	Open ***No Part Day Preschool	Open	Open	Open
Ft B School Closed Early after buses leave SAS****	Open	SA care open on space A	Closed ***Part Day May Close Early	Open no YS bus pick-up	Open	Open

*FCC providers have separate contracts for hours of operation and parents should coordinate their needs with their individual provider.

**On unscheduled leave days, we will have limited staff and therefore limited services. Mission Essential personnel have first priority. All other care will be available as staffing permits. We recommend you call before coming in to determine availability.

***Part day sessions are cancelled or adjusted based upon any closures of Fairfax County schools except when school is closed mid-day during the part day session. In those cases, part day preschool may have to dismiss early to accommodate the returning school age children.

****When Ft Belvoir school closes early but before buses leave SAS, SAS will open early for the afternoon.

Mission essential patrons must identify their status in advance through the Central Enrollment Office, Bldg 950. In addition, these patrons must coordinate in advance with FCC provider for care on CDC/SAS closure days. Patrons will receive the FCC provider list once they have returned an employer verification of status form that identifies you as mission essential.

While Fort Belvoir generally follows Federal Government Guidance, the Installation Commander may choose to make other decisions based on Fort Belvoir specific conditions. Therefore, please check our status via the Fort Belvoir website @ www.belvoir.army.mil or call the hotline @ 703-805-3030.

Again, we stress that the purpose of closures, delayed openings and unscheduled leave is to limit the number of people traveling on hazardous roads. CYS Services urges parents to keep both themselves and their children safely at home as recommended by the government.

We appreciate your support and understanding in this matter. Drive safely!
