

“The Patron’s” Tournament Results

April 10, 2010

After a long tough winter it was great to get the season under way with our opening club event “The Patron’s” tournament. Held under beautiful blue skies on Masters Golf weekend the two person team event was held with 18-holes on the Woodlawn Golf Course. The format of the event was a scramble with competitors choosing between net and gross divisions. Playing some fantastic golf and winning the net division was Bud Morgan and Bob Laver, with a score of 64. Second place after a tiebreaker, went to the team of Bob Plimpton and Austin Kennedy with score of 64, and finishing 3rd was the team of Randy Markham and Mike Lauer shooting 66.

Over in the gross division the winning team was Mike Armstrong and Mike Williams with a score of 69, and runner up was the team of Mickle and Jerry Makowka with 70.

After many of us not having a chance to play golf in a long time, we decided to kick off the season with an easy format. However, that will change as our next event will be the Superintendent’s Revenge. The Superintendent’s Revenge will be held on US Open weekend, Saturday, June 19 on the Woodlawn Golf Course. In keeping with the tradition of the US Open, generally considered the toughest conditions in golf, our superintendent, Mr. Marty Maurer looks forward to challenging all aspects of your game with his devilish plans. Hopefully, all patrons will come away with what it feels like to play in a major championship. The rest of club events will go back to the normal test that Fort Belvoir presents to its golfers.

Finally, I would like to thank all our patrons for their continued support, and please contact me with your ideas for future events so that I can tailor our efforts toward the formats you find the most fun.

Respectfully

Steve Greiner, PGA
Head professional
