

The Fort Belvoir Golf Club tournament season continued last week with the playing of the annual Club Championship. Conducted July 31 and August 1, the event was held with 18-holes on both the Woodlawn and Gunston Golf Courses. The format of the event was individual stroke play with participants competing to determine the club's Men's, Women's, and Senior Club Champions. Also, there were additional flights created by handicap/ skill level so that all patrons could have the opportunity to compete against other golfers of similar skill. Playing some fantastic golf and winning the Men's Club Championship was Dave Johnson with a score of 73-83=156. Second place went to Lee Ellis with a score of 78-81=159, and finishing tied for 3rd was Mikle Makowka 78-82=160 and Aaron Snow 85-75=160.

Over in the senior division the winning player was Eric Utegaard for the second year in a row with a fine score of 79-73=152, runner up was Steve Frishmuth with 80-80=160, while third place went to Robbie Williams who shot 83-79=162.

Congratulations to Sarah Major who won her fourth Women's Club Championships in the time that she has been at the club. Low net went to Ikue Kokkeler, while Diane Davis and Susan Laver tied for second.

Finally, I would like to thank all our patrons for their continued support, and please contact me with your ideas for future events so that I can tailor our efforts toward the formats you find the most fun.

2010 Fort Belvoir Club Championship results:

Men's Club Champion – Dave Johnson
