EFMP Parent Support Group Meeting

22 Sep 11
1830-2030

Topics: Tricare, Benefits and Safety Issues for Military Parents of Children with Autism and Other Cognitive Disabilities

Speaker: LTC Scott Campbell

The Fort Belvoir and Joint Base Myer-Henderson Hall Army Exceptional Family Member Programs (EFMP) are sponsoring "Tricare / Other Benefits and Safety Issues for Military Parents of Children with Autism and Other Cognitive Disabilities" class and support group. LTC Scott Campbell is the parent of an Autistic child and board member of the Autism Society of America's Northern Virginia Chapter. Join us for a wonderful opportunity for Families to not only learn about medical benefits, legislative updates, and safety issues for their Autistic children, but to also network with other Families. Reservations are required. Child care will be provided on a limited basis and by reservation only. For reservations, general or disabled access information, contact Marcia O'Connor, EFMP manager at (703) 696-8467 or TTY at (703) 696-4675. Due to unreliability of answering machines, telephonic reservations must be made directly to Mrs. O'Connor.

The meeting is open to all military Families with special needs, health care providers, and case managers. Call 703-805-1835 to sign up.
