New for this 2011 golf season Fort Belvoir Golf Club has reduced our golf outing package fees by \$10.00 per person over last year's fees.

## **2011 Golf Outing Fees**

We offer 3 price points per person. The Bronze package; Silver package; and Gold package. All of our golf outing package prices include everything the tournament coordinator needs to conduct a successful event. To start we have two "Championship" 18 hole golf courses the Gunston and the Woodlawn golf courses. Over the past winter and now into the golf season our maintenance staff has been working non-stop to improve our playing conditions on each course. Based upon all this effort we look forward to having the very best playing conditions that we have ever had!

Our golf outing packages also includes:

- Green fee
- Cart fee
- Driving range balls
- Credit in our Pro Shop; \$10/person (use as awards to the tournament winners and event hole winners)
- Outstanding high quality meals served "buffet" style
