Eligibility to use CYSS programs include active duty military personnel, DoD civilian personnel, reservists on active duty for 72 hours or more, and DoD contractors working on Fort Belvoir. Military retirees are only eligible for our sports programs and our free Middle School and Teens program. Because child care programs are offered for the sponsor to report to work so that the Army can meet its mission, eligibility to use Fort Belvoir child care programs ends upon End Term of Service (ETS) of sponsor, termination of sponsor's DoD employment or DoD contractor's employment on Fort Belvoir. A thirty-day grace period is authorized to find alternate care. All patrons must register with Parent Central Services (Resource and Referral - Central Registration). The Parent Central Services (Resource and Referral - Central Registration) phone numbers are (703) 806-0791.
