

Dear Parents,

Inclement weather emergencies can occur at any time and below is our policy. Child, Youth & School (CYS) Services joins this command in stressing safety. Please keep children home whenever possible to reduce risk during hazardous road conditions. To assist in compensation during these days, CYS Services will grant discount credit points for patrons that voluntarily keep their child home. These credits, combined with other parent participation credits you may have or earn, will gain you a 10% childcare discount for one month. Each facility has forms and requirements necessary at the front desk to explain these policies.

| Situation (check all that apply) | CDC | FCC* | SAC | YC | ADMIN | SPORTS & SKIES |
|---|--|--|--|------------------------------|--------|--|
| Ft Belvoir Open | Open | | | | | → |
| Ft Belvoir Closed | Closed | Open EPP | Closed | Closed | Closed | Closed |
| Ft Belvoir Delayed Opening by X hours | Delayed Opening by X hours | Open | Delayed Opening by X hours | | | → |
| Ft Belvoir Unscheduled Leave** | Open for emergency essential first – others as spaces permit with available staffing | Open – mission essential priority; others as space permits | Open for emergency essential first – others as spaces permit with available staffing | | | → |
| Ft Belvoir Closed Mid-day; no CYSS buses | Closed Mid-day - Parent Pick Up Required | May Open | Closed Mid-Day-Parent Pick Up Required | | | → |
| Ft B Elem School Delayed Opening | Open | Open | Open ***Part Day Preschool Delay | Open | Open | Open |
| Ft B Elem School Closed Entire Day | Open | Open | Open ***No Part Day Preschool | Open | Open | Open |
| Ft B Elem School Closed Early after buses leave SAS**** | Open | SA care open on space A | Closed ***Part Day May Close Early | Open no YS bus pick-up | Open | Closed if FCC cancels all afterschool activities |

For schools other than Ft. Belvoir Elementary, parents must make alternate care arrangements, in advance.

FCC and other referrals are available through Parent Central Services at 703-806-0791.

*FCC providers have separate contracts for hours of operation and parents should coordinate their needs with their individual provider.

**On unscheduled leave days, we will have limited staff and therefore limited services. Emergency Essential personnel have first priority until 1000. All other care will be available as staffing permits. Front desks will keep first come, first serve waiting list for spaces. Please call before coming in to determine availability.

***Part day sessions are cancelled or adjusted based upon any closures of Fairfax County schools except when school is closed mid-day during the part day session. In those cases, part day preschool may have to dismiss early to accommodate the returning school age children.

****When Ft Belvoir Elem School closes early & notifies SAS by 0900, SAS will open early for the afternoon; no CYSS bus runs.

Emergency Essential patrons must identify their status in advance through the Parent Central Services Office, Bldg 950. In addition, these patrons must coordinate in advance with assigned FCC provider for care on CDC/SAC closure days. Patrons will receive the FCC provider list once they have returned an employer verification of status form that identifies you and your spouse as mission essential.

While Fort Belvoir generally follows Federal Government Guidance, the Installation Commander may choose to make other decisions based on Fort Belvoir specific conditions. Therefore, please check our status via the Fort Belvoir website @ www.belvoir.army.mil, Facebook or by calling the hotline @ 703-805-3030.

Again, we stress that the purpose of closures, delayed openings and unscheduled leave is to limit the number of people traveling on hazardous roads. CYS Services urges parents to keep both themselves and their children safely at home as recommended by the government.

We appreciate your support and understanding in this matter. Drive safely!
