

FORT BELVOIR **OUTDOOR RECREATION**

TRAILBLAZERS

If you enjoy the outdoors and want to walk/hike with others we want you to join our Outdoor Recreation Trailblazers Group. There are over 50 active participants and there is no fee to join. Since April 2008, we have accomplished day walks and hikes in Northern Virginia and Maryland such as the Shenandoah National Park, Harpers Ferry, Great Falls Park, Mason Neck, Huntley Meadows, Leesylvania State Park, and many more!

Almost all places we go are suggested by the participants so you may know of places we could try. The level of walks/hikes range from beginner to advanced and terrain can be either fields, hardwood forests, wetlands, beach, or mountains. All places have spectacular views and abundance of wildlife. Join us today by calling 703.805.1143/1226 or stop by Building 778, Tompkins Basin.
